Big Increase in Fisk Sales Due to Fisk Durability and Value

OTORISTS today are buying tires on the basis of actual results.

Here is a condition that is leading to a great demand for Fisk Tires -for Fisk visible value stands out today in terms of greater mileage, longer life, more distinctive appearance and greater tire economy. In every line of business there is always one product that stands out head

and shoulders above the average. Experienced motorists know the difference in tires, and they know the superior mileage and wear delivered by Fisk Tires. You'll like the type of dealers who specialize in Fisk Tires—alert, foreseeing men who know comparative values in tires, and who know that success comes to those who serve their public.
